WE'RE UNDER NEW OWNERSHIP

As the new owners of Mike's Woodshop we are delighted to have joined a loyal and exceptional team of people. Mike's Woodshop has a 25 year history of providing its customers with quality furniture and service at great value. The future of the business holds more of the same with some additional surprises in store. Over the next few months you can look forward to the introduction of some fantastic new products as well as a company rebrand that we hope will better encapsulate the services and products we provide to our valued customers.

Outside of work we are enthusiastic parents to a busy pre-schooler, so the acquisition of Mike's Woodshop has been a great fit for us. By providing clever furniture solutions that are robust enough to stand up to the rigours of childhood use, all at the best prices, we believe we can make a positive contribution to the learning environments of our future generation.

We are very much looking forward to a bright future with Mike's Woodshop and to working with you as a valued customer.
